Rewind...rewind...rewind

We had two awesome meetings in September; the first at Huntington's Kitchen, featuring healthy food, the second one featured grilled mayor. Just kidding, Huntington Mayor Kim Wolfe was the guest. He discussed the tax situation in town, the storm sewer debacle of the prior week and wooing technology companies to town.

We're getting older. No, seriously!

In 2012, the Huntington Downtown Lions will celebrate 90 years of service to the community.

We are looking for Lions to handle some important aspects of our celebration – Venue & Menu; sending invites; getting important folk to send congratulations to the club (state governor, city mayor, county commission, POTUS, V-POTUS, former POTUS, other District Governors, celebs, Senate and Congress members, you get the idea.) So, pick something and step up to the plate!

2010-2011 District Officers
